Group Tours

Private group tours are a wonderful way to immerse yourself in the rich history and design of the Gaiety Hollow Garden. Groups of 10 – 20 visitors can take a private tour of the garden with a trained docent for \$8 per person. Tours take place from April through September. Reservations are required and we ask for at least two weeks advance notice of your visit. Reserving early will also ensure your visit on the day and time of your choosing. Tours can be tailored to specific groups so please let us know if your group has any special interests or limitations. We welcome adults, seniors, tourists, and after school youth to visit.

We offer three tour options to better meet your needs.

1. **Docent-led Tour of Gaiety Hollow Garden Only**
